

He Forgives You!

I am a post-abortive woman, and I have recently started telling the story of my abortions and the healing power of forgiveness.

My story is twofold in that I speak of God's forgiveness and also how men need to heal from an abortion in their past.

Women, and men, need to hear they can be forgiven; it is estimated that 40% of women between the ages of 18 and 45 have had at least one abortion. Many of those same women do not feel they are forgiven, or can ever be forgiven, and are ashamed of their past; a past they can do nothing about except learn from it.

This is why I am speaking. I am a Catholic woman.
